## STEP INTO A WORLD OF CINEMATIC WONDERS AT STAMFORD ARTS CENTRE THIS SEPTEMBER!

Whether you're drawn to the suspense of *Alien: Romulus*, the rebellious spirit of *Kneecap*, the spooky fun of *Beetlejuice Beetlejuice*, or the inspiring journey of *Noah's Ark*, there's a story waiting for you on our big screen. Adventure, drama, romance, and more—this month's line-up has something for everyone.

You might notice a few changes to our schedule, with a slightly shorter film programme and additional Sunday screenings. We're pleased to let you know that this is due to some exciting improvements we're making to our venue. From Monday 23rd September, we'll be installing a brand-new lift to replace the old one just outside the theatre doors. To ensure you can still enjoy your cinema experience without interruption, we've added extra Sunday screenings at 2pm and 5pm throughout September.

We're also enhancing our cinema with the installation of an Audio Description system, making our screenings more inclusive for everyone. Once this system is fully operational, films with Audio Description and Hearing Assistance will be clearly marked in our brochures and on our website.

Stay connected and be the first to hear about what's happening:

- **Follow us on social media:** Find us @StamfordArts on Facebook, Instagram, and X for the latest updates and exclusive offers.
